Whereas:

- (a) On 1 August 2006, the Council of the European Union adopted Regulation (EC) No 1085/2006 establishing an instrument for pre-accession assistance (hereafter: the "IPA Framework Regulation"). With effect from 1 January 2007, this instrument constitutes the single legal basis for the provision of financial assistance to candidate countries and potential candidates in their efforts to enhance political, economic and institutional reforms with a view to their eventually becoming members the European Union.
- (b) On 12 June 2007, the Commission adopted Regulation (EC) No 718/2007 implementing the IPA Framework Regulation, amended by Commission Regulation (EU) N° 80/2010 of 28 January 2010, detailing applicable management and control provisions (hereafter: the "IPA Implementing Regulation").
- (c) EU assistance under the instrument for pre-accession assistance should continue to support the beneficiary countries in their efforts to strengthen democratic institutions and the rule of law, reform public administration, carry out economic reforms, respect human as well as minority rights, promote gender equality, support the development of civil society and advance regional cooperation as well as reconciliation and reconstruction, and contribute to sustainable development and poverty reduction.

For potential candidate countries, EU assistance may also include some alignment with the *EU acquis*, as well as support for investment projects, aiming in particular at building management capacity in the areas of regional, human resources and rural development.

- (d) The Parties have concluded on 15 November 2007 a Framework Agreement setting out the general rules for cooperation and implementation of EU assistance under the instrument for Pre-Accession Assistance.

Alexandra CAS GRANJE Director

- (e) The multi-annual Cross-border programme Bosnia and Herzegovina – Montenegro for the years 2007-2013 was adopted by Decision C(2007)6350 of 18 December 2007 and revised by Decision C(2010)5828 of 20 August 2010 (hereafter: "the programme"). This programme is to be implemented by the Commission on a centralised basis.
- (f) It is necessary for the implementation of this programme that the Parties conclude a Financing Agreement to lay down the conditions for the delivery of EU assistance, the rules and procedures concerning disbursement related to such assistance and the terms on which the assistance will be managed.
